## PURPOSE

The purpose of this policy is to ensure all families and staff are aware of their rights and responsibilities regarding the management of accounts for the provision of childcare at our OSHC Service. This policy is to be used in conjunction with our *Payment of Fees Policy*.

## SCOPE

This policy applies to children, families, staff, educators, management, approved provider, nominated supervisor and visitors of the OSHC Service.

## IMPLEMENTATION

Our *CCS Account Policy* is to be used in conjunction with our *Payment of Fees Policy* to ensure a clear understanding of how accounts and payments are administered by our OSHC Service. We are committed to comply with the legislative obligations to maintain financial integrity, data management and privacy requirements contained in Family Assistance Law, National Law and National Regulations. We have effective systems in place to ensure payments and childcare funding is administered appropriately. Our OSHC Service ensures the confidentiality and privacy of all personal information provided to the Service about the enrolled child and family.

## ACCOUNT HOLDERS

Upon enrolment, the OSHC Service and family will identify the individual person responsible for the payment of the childcare fees. In many cases this will be a parent of the child, however it may be an agency or another adult who is legally responsible for the care and wellbeing of the child who has arranged to be liable for the payment of childcare fees. The nominated account holder will be legally responsible for ensuring the payment of fees.

Each child will have an enrolment record set up which records attendance, payments and identification details of each child. An appropriate enrolment type will be created dependent on the enrolment required.

- **CWA Enrolment** - Complying Written Arrangement – For families wishing to claim Child Care Subsidy (CCS) as a fee reduction
- **RA Enrolment** - Relevant Arrangement – For families who do not wish to claim CCS as a fee reduction. No CCS claimed
- **OA Enrolment** - Arrangement with an organisation (third party) – For families where an organisation is liable for fees, example an employer. No CCS claimed

- ACCS Enrolment - Additional Child Care Subsidy (child wellbeing) – provider eligible arrangement
- Families will be advised of the CCS system and encouraged to apply for CCS if applicable through Centrelink.

For families wishing to claim CCS as a fee reduction, it will be determined upon the time of enrolment which individual is responsible for claiming CCS or ACCS for each child.

## FEES AND CHARGES

Families will be

- advised of fees and charges upon enrolment
- notified of any changes to fees or charges in writing with 4 weeks' notice
- made aware that fees for childcare attendance will be payable for all absences and non-attendance
- advised 'Gap Fees' must be paid via Electronic Funds Transfer (EFT).

## NOTICE OF TERMINATION OF ENROLMENT

Families are:

- to provide two weeks written notice of their intention to withdraw a child from the Service
- responsible for ensuring the account is paid until the last day of enrolment
- made aware that changes to CCS entitlements can occur after the enrolment has ended

Families and any 3<sup>rd</sup> Party Billings are aware they are responsible for all fees payable including any changes to the gap fee after an enrolment has ended.

## PRIVACY OF ACCOUNT

Our OSHC Service will

- ensure privacy and confidentiality is maintained at all times regarding enrolments and accounts
- ensure our enrolments and accounts are recorded via Kindy Manager. Access to this software will be provided to nominated staff by the approved provider.
- ensure each staff member who has authorised access to Kindy Manager will be provided an individual log in username and separate password. Staff are reminded to not share usernames and passwords.
- not share information relating to enrolments and accounts without authorisation from the account holder.

Please refer to the *Privacy and Confidentiality Policy* for further information
