

ANTI-BIAS AND INCLUSION POLICY

Anti bias is the practice of inclusion and underpins our philosophy. It is the acceptance that all children are valued and respected. We believe in the statement of inclusion as advocated by Early Childhood Australia (ECA) that *'Inclusion means every child has access to, participates meaningfully in, and experiences positive outcomes from early childhood education and care programs.'* (2016).

Our Out of School Hours Care (OSHC) Service believes that children have the right to be treated equally and our goal is to develop children's identity and self-esteem in a trusting and supportive environment. We embrace diversity in all its forms to help develop positive and accepting attitudes in children, and to help them gain a better understanding of their environment, community, country, and the world.

PURPOSE

We aim to provide an inclusive environment for all children, families and educators, acknowledging the uniqueness of every person regardless of their race, gender, sexuality, religion, culture, physical and mental abilities and socio-economic background. This policy ensures all children, families, and staff are welcomed and treated equitably and with respect.

SCOPE

This policy applies to children, families, educators, staff, management, approved provider, nominated supervisor, students, volunteers and visitors of the OSHC Service.

IMPLEMENTATION

The role of educators is to encourage children to share and learn about the individuality of each child and their family and their role in the OSHC Service. This policy aims to assist children to form positive social relationships, develop their identity and self-awareness and to learn to accept the diversity of members within and outside of the OSHC Service community. Our OSHC Service embeds the National Principles for Child Safe Organisations and promotes a culture of safety and wellbeing to minimise the risk of child abuse or harm to children whilst promoting children's sense of security and belonging.

"Being culturally responsive includes a genuine commitment to take action against discrimination in any form, embedding Aboriginal and Torres Strait Islander perspectives in all aspects of the curriculum and working collaboratively with culturally and linguistically diverse children and families." (MTOP, V2.0, 2022, p.66)

CREATING INCLUSION

Inclusion supports children's rights, fosters diversity and overcomes bias and barriers that may exist preventing children to participate in experiences within our OSHC Service. Inclusion is consistent with the Convention on the Rights of the Child and other international conventions, including the UN Convention on the Rights of Persons with Disabilities, UN Declaration on the Rights of Indigenous Peoples and the National Principles for Child Safe Organisations.

Inclusion involves taking into account **all** children's social, cultural and linguistic diversity including learning styles, abilities, disabilities, gender, family circumstances and geographic location in curriculum decision-making processes. (Framework for School Age Care, MTOP. V2.0, p.66).

We will ensure all children and young people are provided with equitable access to resources, activities and environments; participate meaningfully while learning to foster a sense of belonging and have opportunities to experience positive learning outcomes.
