

BAYCARE'S PHILOSOPHY

At Baycare we recognise the traditional custodians of the lands and waterways where we work and live. We celebrate the First Peoples' unique cultural and spiritual relationship to Country and acknowledge the significance of Aboriginal cultures in Australia.

The staff at Baycare believe that all children have the right to feel safe & respected in a comfortable environment that is inclusive of all beliefs. We believe Baycare's environment should be a fun and supportive place that promotes partnerships between home and the centre.

Baycare will provide opportunities for fun, freedom, choice, individuality, new experiences, challenges, and happy memories. We will offer children social contacts outside family members and strive to fulfil and provide a chance for "Kids to be kids".

Our values at Baycare;

Integrity - Be true to yourself and others even when no one is watching.

Freedom - choice is essential, provide the knowledge to choose well.

Equality - at Baycare EVERYONE matters.
