

# UNEXPECTED DEATH OF A CHILD OR STAFF MEMBER AT A SERVICE POLICY

The sudden and unexpected death of a child or staff member at an Out of School Hours (OSHC) Service is a traumatic event and can have a profound impact on educators, children and families. As a result of the suddenness of such an event, well-trained and experienced staff can experience strong emotions and traumatic stress responses. The role of our OSHC Service is to help restore a sense of safety for all children, educators, and families as soon as possible following a traumatic event. Should a serious incident occur, our Service will ensure mandatory reporting requirements are followed and support is provided to assist all staff, children and families deal with distress, grief and bereavement.

## NATIONAL QUALITY STANDARD (NQS)

## PURPOSE

Our OSHC Service will ensure that management and educators follow the procedures and principles within this policy and that immediate and appropriate action is taken to notify relevant authorities in the event of the death of a child or staff member whilst at the OSHC Service. There are a number of legal requirements to adhere to in the tragic event of the death of a child or staff member at a service as outlined below.

## SCOPE

This policy applies to children, families, approved provider, nominated supervisor, educators, staff students, volunteers, visitors of the OSHC Service.

## SERIOUS INCIDENTS

Regulation 12 defines a serious incident involving the death of a child as:

- (a) The death of a child –
- I. while that child is being educated and cared for by an education and care service, or
  - II. following an incident occurring while that child was being educated and cared for by an education and care service.

## NOTIFICATION OF A SERIOUS INCIDENT

Under the National Law and Regulations [S. 174(2) (a) and Reg. 176 (2) (a)], the approved provider must notify the regulatory authorities within 24 hours of any serious incidents. This must be completed by logging into the [National Quality Agenda IT System \(NQA IT System\)](#).

## INCIDENT NOTIFICATION- STAFF MEMBER

Within this policy a notifiable incident relates to a fatality in the workplace due to:

- an injury sustained in the course of a work activity

- the result of someone else's work activity or
- natural cases such as heart attacks and strokes.

Under the Work Health and Safety Act (2011) legislation, all businesses are mandated to immediately notify *SafeWork* if a notifiable incident occurs. If the regulator stipulates, the incident site must be preserved until an inspector arrives or directs otherwise. **Phone: 13 10 50**

Although there is no specific requirement stipulated in the National Law and National Regulations for reporting a death of a staff member, the approved provider must notify the state regulatory body if any circumstance arises at the service that may pose a risk to the health, safety or wellbeing of a child or children attending the OSHC Service [S. 174(2) (a) and Reg. 176 (2) (a)].

The unexpected death of a staff member could be viewed as a serious incident. Notification to the regulatory authorities must be made within 24 hours. This must be done by logging into the National Quality Agenda IT System (NQA IT System).

### KEEPING CHILDREN'S RECORDS

In the event of the death of a child whilst being cared for at the Service, records must be kept for 7 years from the date of the child's death. [Reg. 183 (c)]

### INITIAL ACTION AND IMPLEMENTATION

Management, staff and educators will ensure that immediate and appropriate action is taken in the event of the death of a child or staff member whilst at the OSHC Service by following and implementing the following procedures:

1. assess the situation as per service and First Aid procedures for any immediate danger to other staff and children
2. provide immediate first aid and/or CPR in accordance with current First Aid training
3. call an Ambulance immediately on 000
4. assess the situation as per first aid procedures for any immediate danger to other staff and/or children
5. management/responsible person will call the emergency contact person of the staff member
6. the Service must not advise parents of the death of their child: medical staff/emergency services will advise families of the situation
7. notify regulatory authorities including Police
8. notify the approved provider (if not at the Service)

9. the responsible person will complete in detail the Service's *Incident, injury, trauma and illness* form
10. the approved provider will log the incident on the NQA IT System, within 24 hours attaching incident form and evidence <https://www.acecqa.gov.au/resources/national-quality-agenda-it-system>
11. notify SafeWork NSW within the first hour of the incident/fatality occurring
12. secure the area around where the fatality occurred to prevent further incident or injury and to adhere to any non-disturbance requirements for notification of a notifiable incident under Work Health and Safety Act 2011
13. management/approved provider will contact the insurance company.

### THE APPROVED PROVIDER/NOMINATED SUPERVISOR AND EDUCATORS WILL:

- ensure educators, staff, students, visitors and volunteers have knowledge of and adhere to this policy
- follow directions/protocols provided by the regulatory authority/ SafeWork. Request support for protocols when notifying families and children; sharing information with a coordinated and effective response and assistance to manage social media adhering to privacy and confidentiality laws
- ensure parents, families, children and educators receive adequate and appropriate post-incident support
- provide support and comfort to the family of the colleague (phone calls, reassurance, legal advice, workers compensation information etc.)
- transition children away from the area
- demonstrate sensitivity, open mindedness and a balanced approach
- recognise and support cultural needs of staff, children and families
- ensure all evidence is preserved
- maintain accurate and detailed record keeping
- contact their legal representative for support and direction
- establish protocols for staff and educators to discuss the traumatic event
- advise staff of social media protocol for the event
- provide professional and sensitive communication with families of the Service
- provide support and comfort to the family of the colleague (phone calls, reassurance, legal advice, workers compensation information etc.)
- engage the services of health care professionals (counselling and support for staff)
- cooperate on an ongoing basis with inter-agencies involved in the investigation

### CARING FOR THE WELLBEING OF EDUCATORS, CHILDREN AND FAMILIES

Our OSHC Service will engage health professionals who may include child and family counsellors and

psychologists to support our educators during this profoundly difficult time. Health professionals will assist educators to be sensitive and mindful of the impact such an event has had on all stakeholders. With professional guidance and support, we will encourage children to express their emotions and feelings and implement strategies to assist and guide children's process of grieving and re-engage children in learning.

Educators will support children's understanding of grief and loss by:

- answering questions simply and honestly
- allowing children to express their emotions and feelings
- provide appropriate comfort
- implement a range of learning experiences to express their thoughts- drawing, movement, play
- create a safe space for time alone when needed

Our OSHC Service will seek advice and support from health professionals to provide appropriate materials to send home to families to assist in understanding the effects of trauma on children and possible changes in behaviour following the unexpected death of a child in our Service.

Our OSHC Service will support staff members who may be deeply affected by the loss of a child or colleague by the following actions:

- provide grief counselling as soon as possible
- be present as a team to support one another on a day-to-day basis
- provide opportunities for staff to grieve privately (flexible rostering where possible)
- contact other childcare services or providers in your network/community to assist with emergency support if needed (providing the opportunity for colleagues to attend the funeral if appropriate)
- closely monitor staff for ongoing suffering and offer immediate support
- discuss employee leave entitlements (sick, FACS, long service, unpaid)
- promote self-care for all staff in the workplace.

## CONTINUOUS IMPROVEMENT/REFLECTION

Our *Unexpected Death of a Child or Staff member at the Service Policy* will be reviewed on an annual basis in consultation with children, families, staff, educators and management.
